Maharashtra

11th February 2016

MESSAGE

It is my pleasure to learn that the 'Indian Supply Chain 2016 Conference' 2nd edition is being organised on 19th & 20th February 2016 at Mumbai. Under an overarching theme Make in India-Unleashing New opportunities.

Maharashtra is a leading industrial State. It is the financial capital of India. It pioneered the ecosystem for small scale industries to support & flourish the entrepreneurial spirit of the Nation. Maharashtra initiated the 'Make in Maharashtra' initiative to align to the 'Make in India' vision to boost the manufacturing sector in the country.

We are delighted to be the host state for the first of its kind 'Make in India Week' organised in Mumbai. As we are celebrating this mega event, I recall the moment, when I personally initiated the announcement and unveiling of the 2016 conference at the Osaka Port Promotion Association Summit in Osaka, Japan during my visit there last September.

I would like to extend my warm wishes for the success of this international conference which is one of the biggest premier supply chain & logistics conference in India.

My best compliments for your future endeavours.

(Devendra Fadnavis)
